

## Problems Logging in Investors Access

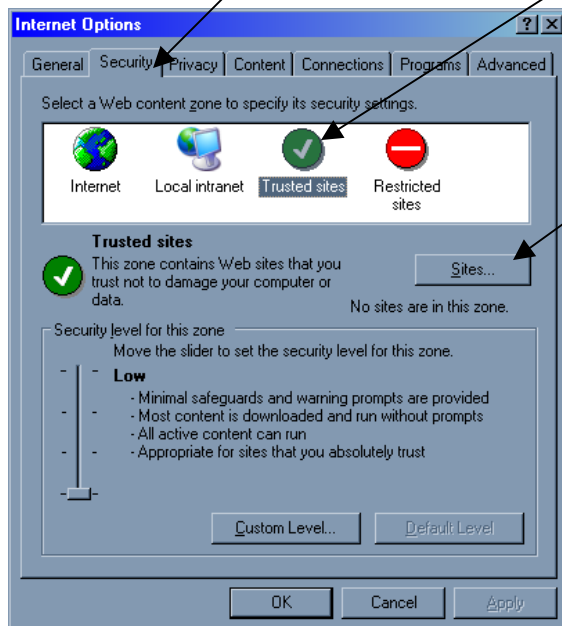

You may be required to add our site to your Trusted sites in your browser setting.

The instruction below are for Internet Explorer version 6.0

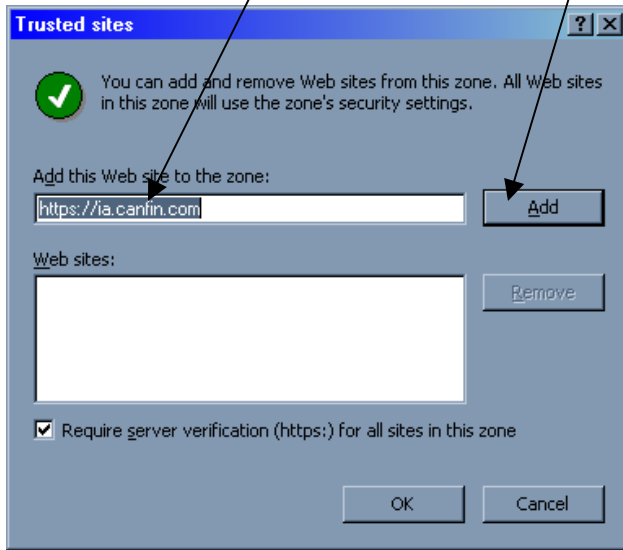

Click on **Tools** Then **Internet Options**

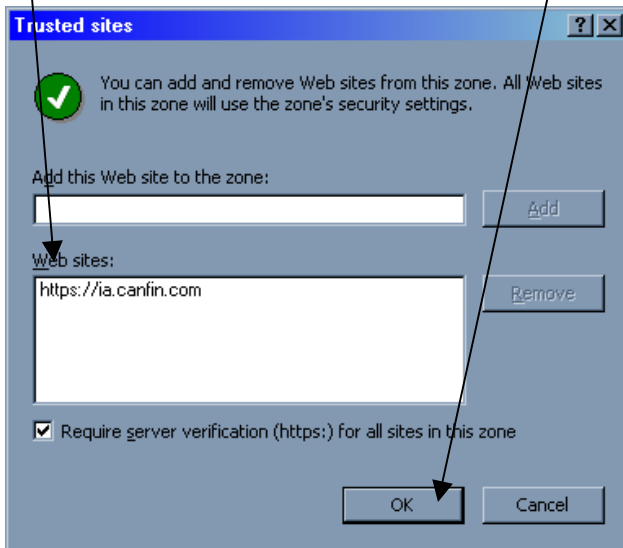

Click on the **Security Tab** then select **Trusted Sites** then click **Sites**

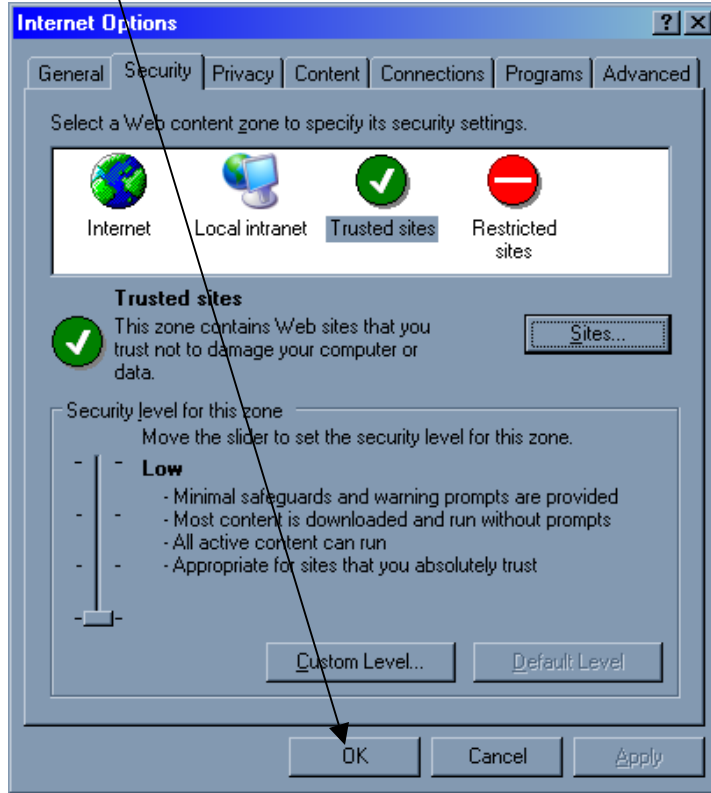

Type in <https://colt.canfin.com> then click **Add**

Once it is listed in the Web sites click **OK**

Click **OK**

**Congratulations you're done!!**

If you are still experiencing difficulties please contact your Canfin Advisor and they will be happy to assist you.
